HEALING INTIMATE TREASON:
For Partners of Sex Addicts

Rio Retreat Center's transformative intensive workshops have been designed by mental health experts and are facilitated by licensed, master's-level therapists and certified professionals. Our workshops specifically address the needs of those who are new in recovery, are stable in recovery and want to deepen their experience, or are looking for a source of renewal. Participants work on sensitive issues in a concentrated format, allowing them to enhance their journey by gaining insight into unhealthy, embroiled patterns and practicing new relational skills within a safe environment.

ABOUT THE WORKSHOP

Claudia Black, PhD

This workshop was developed in collaboration with Claudia Black, PhD, Senior Fellow, and author of *Deceived: Facing Sexual Betrayal, Lies, and Secrets* and *Intimate Treason*. Working from a clinical model based on trauma and addiction, partners impacted by the destruction of sexual compulsion will have the opportunity to begin healing from intimate betrayal.

Participants will learn about the biology and the behavior of sex and love addiction and will explore their own relational templates. This is an experientially based workshop that will assist partners to move through their grief and loss, break free from the attachment to fantasy, and enhance emotional self-regulation. Developing internal, external, and sexual boundaries, participants will learn how to move from a position of victimization to personal empowerment. This workshop creates a safe and compassionate environment that will provide a path to healing that gives voice to the partners' truth as they travel on their own journey in recovery.
