

Personal Growth Workshop COMING HOME

Helping You Achieve Lasting Change and Find Acceptance

WHO IS THIS WORKSHOP RIGHT FOR?

LGBTQ+ individuals

ALL ABOUT THIS WORKSHOP

The primary goal of this workshop is for individuals to embrace their true identity and orientation, gain empowerment, and overcome past hardship and isolation.

Led by staff who identify in the community, Coming Home will help participants step into resilience as the powerful individuals they are meant to be, integrating identity and orientation. In this workshop, we will explore therapeutic healing without the burden of heteronormative assumptions and perspectives or fear of discrimination. Instead, participants will process the intersectionality of sexual orientation, gender identity, race, and other factors that make them who they are.

Participants will learn that empowerment is about feeling comfortable in their skin, feeling liberated from others' constructs about who and how they "should" be, and giving themselves unshakable permission to be themselves. Empowerment in identity and orientation is truly about coming home to yourself.

Topics include:

- Minority stress and heterosexual/cisgender privilege
- Coming out, again and again
- Grief and loss as a part of the community experience
- Body image and self-confidence
- Visioning your future
