

## Relationships Workshop

# HEALING INTIMATE TREASON

## Repairing the Trauma Experienced by Partners of Sex Addicts

### WHO IS THIS WORKSHOP RIGHT FOR?

Partners impacted by the destructiveness of sexual compulsion who are looking for an opportunity to begin healing from intimate betrayal

### ALL ABOUT THIS WORKSHOP

Developed in collaboration with Meadows Senior Fellow Claudia Black, PhD, author of the books *Intimate Treason* and *Deceived: Facing Sexual Betrayal, Lies, and Secrets*, this five-day experientially based workshop assists partners in moving through their grief and loss to go from a position of victimization to one of personal empowerment.

Working from a clinical model based on trauma and addiction, partners impacted by the destruction of sexual compulsion will have the opportunity to begin healing from intimate betrayal.

Participants will find a safe and compassionate environment to learn about the biology and behavior of sex and love addiction, explore relational templates, break free from the attachment to fantasy, enhance emotional self-regulation, and develop internal, external, and sexual boundaries.

This workshop creates a supportive, empathetic environment, providing a path to healing that gives voice to the partner's truth as they travel on their own journey in recovery.
