

Emotional Trauma Workshop
THE BETRAYAL BOND

Breaking Free of Exploitive Relationships

WHO IS THIS WORKSHOP RIGHT FOR?

Anyone interested in freeing themselves from or recovering from exploitive relationships, processes, and situations

ALL ABOUT THIS WORKSHOP

The Betrayal Bond: Breaking Free of Abusive and Exploitive Relationships was developed under the guidance of Dr. Patrick Carnes, internationally known sex addiction expert and Meadows Senior Fellow. Based on his groundbreaking book of the same name, *The Betrayal Bond*, this workshop addresses negative bonds that occur when someone develops a strong and intense attachment to a person or an addictive process that is destructive to them: marital, familial, relational, professional, religious, litigious, child abuse, domestic violence, cults, and addictions.

The goals of this workshop are to help participants:

- Recognize, acknowledge, and gain insight about exploitive situations, people, and processes.
- Break through denial, identify signs that a betrayal bond exists, and grieve losses.
- Explore the root causes of one's involvement in destructive relationships, situations, and processes.
- Identify key elements that drive the cycle of abuse, betrayal of trust, and power.
- Learn about the psychodynamic and neurobiological concepts behind exploitive situations and relationships.
